

# Foundations Child Care Center

## **To teach is to touch a life - FOREVER!**

Part-time Opportunity

Are you someone who loves working with toddlers? Do you want to make a difference in the life of a child? Can you shimmy, can you shake, can you appreciate the little things? Then we want to meet you!

Don't have a degree or a CDA? That's ok- we will help with that! Why? Because it takes the right heart to want to teach young children- not a degree! (But- because we are a nationally accredited program- they don't always agree with that- but it's ok!) Foundations will help you further your education- by paying your tuition, providing paid study- time, and supporting you with an awesome team of professionals who also want the best for children!

Our toddler teachers work together to create daily activities and lessons to help our children learn through hands-on experiences! We read, sing, dance, play and LEARN together!

Foundations offers competitive pay, Child Care discounts, paid holidays, paid vacation, paid training, paid meetings, AND tuition assistance!!!

We are currently looking for someone who is able to work from 3:30pm-6:30pm, Monday through Friday! Are you that someone?

Apply today! We would love to meet you!
